## ***When to arrive:***

---

New students may move into the residence halls beginning Thursday, August 16th at 11:00 a.m. Room keys can be picked up at your assigned residence hall. If you have access to a hand truck/dolly, please bring it along. You can arrive **anytime between 11:00 a.m. and 2:00 p.m. MT**. We provide a lot of help, so many students are moved into their rooms in about an hour. This gives you plenty of time to be checked-in and moved-in before 2:00 p.m. when official programming begins.

## ***Early move in:***

---

While we discourage early move in's, we will allow them under certain special circumstances. **If you arrive more than two days before August 16<sup>th</sup>, you will be charged a week of summer rates- no exceptions.** Please contact the Housing Office if you would need to move in early.

## ***How to get more familiar with campus:***

---

All new students are expected to attend a New Eagle Registration & Orientation session. These sessions are intended to help you navigate the process of becoming an Eagle. You will have the opportunity to meet other new students, review your course schedule and make changes with an academic advisor, attend sessions to help you understand the financial aspects of attending CSC and so much more! For more information about New Eagle Registration & Orientation visit [www.csc.edu/orientation](http://www.csc.edu/orientation).

## ***Roommates:***
