PROBATION & SUSPENSION POLICY ADDENDUM Spring 2013

This Probation and Suspension Policy Addendum (to the 2011-13 Undergraduate CSC catalog) applies to all students and will take effect beginning the Spring 2013 semester (January 7, 2013). The new policies are as follows:

Probation
Probation is a warning to the student that his/her grades are below the academic standards of Chadron State College. A student will be placed on probation if:

- his/her CSC cumulative grade point average (GPA) falls below 2.00 at any time.

Students on first-time probation may be required to participate in activities that promote academic success.

1st Suspension
The first academic suspension results in a student being denied enrollment in academic programs or courses at Chadron State College for the following fall/spring semester. A student will be suspended under the following conditions:

- he/she earns a semester GPA of 0.0, regardless of whether or not he/she is currently on academic probation, unless his/her cumulative GPA is 2.0 or above.
- he/she has recently been placed on academic probation, or is on continuing academic probation, and earns a semester grade point average below a 2.0.

Students with a 1st suspension must sit out the next fall/spring enrollment term, after which they may fully enroll in any CSC programs or courses. Students who are suspended and allowed readmission after appeal may be required to meet specific conditions that promote student success. Students on suspension will not be allowed to take any courses, including summer courses, on-line courses, or correspondence courses. Students placed on first suspension have the right to appeal.

2nd Suspension
Second academic suspension results in a student being denied enrollment in any academic programs or courses at Chadron State College for three years. Students who have been previously suspended will be placed on second suspension under the following conditions:

- his/her semester grade point average is below a 2.0.

Students under second suspension cannot appeal. After three calendar years have passed, they may apply for readmission.

Good Standing
Students who are placed on probation, or who are suspension re-entry, will be back in academic good standing when their cumulative grade point average reaches 2.0 or above.

Academic Appeals
A student may appeal the first academic suspension, probation, or a denial of admission if he/she believes that an error occurred or if extenuating circumstances affected his/her scholastic performance which would warrant retention in college. The appeal is initiated with a written petition to the senior administrator responsible for Student Affairs.
