

CHADRON STATE COLLEGE
Security, Crime Prevention, and Fire Safety
Policies and Statistics
2016-2017

Chadron State College is located within the city limits of the northwestern Nebraska community of Chadron, a city of approximately 5,000 with an additional 2,500 students. During the academic year, approximately 1,000 students live in seven residence halls and 41 family housing units. The incidence of crime is very low in this rural part of Nebraska, in the city of Chadron and on the campus. Still, Chadron State College strives to provide a safe environment for all individuals on campus, including students, staff and visitors. However, the primary responsibility for safety and security rests with each individual. CSC policies are designed to ensure a high level of security on campus and our staff works continually to increase the on-campus awareness of crime. Reporting of known crime is a part of Chadron State College's commitment to the safety of the members of our campus community.

DISCLOSURE OF CRIME STATISTICS

In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1990, 20 U.S.C. 1092, Chadron State College annually compiles and releases information regarding crime statistics and policies to prospective students, prospective employees, current students, the U.S. Dept. of Education, and upon request. A link to this report is provided on the CSC Student Right to Know webpage. Paper copies of this report may also be obtained from the office of the Vice President, Enrollment Management, Marketing, and Student Services by calling (308) 432-6231.

Crime statistics for the CSC campus, certain non-campus properties, and certain public property areas, which have been reported to the Chadron Police Department and Campus Security authorities for the most recent three calendar years, are disclosed in this publication. A Public Crime Log is maintained by Campus Security and is available upon request.

MAKING IT SAFE FOR OUR STUDENTS

Chadron State College is sensitive to the needs and concerns of all students and actively promotes student respect toward each other. Open communication among students, and between students and the college community, will prevent and/or solve many problems. The primary responsibility for safety and security rests with each individual. Faculty, staff and students must observe all reasonable precautions to ensure their own well-being. Prompt and accurate reporting of criminal incidents is essential to a successful crime prevention program. The college takes steps to educate faculty, staff and students regarding the importance of these programs.

Emergency and Serious Injury Accidents Reports

On-Campus – Dial 9-911

Off-Campus – Dial 911

People who see or know of criminal activity or other emergencies on campus may report this in several ways. The campus is directly linked into the local government's Emergency 911 system. **Emergencies and serious injury accidents should be reported by dialing 911 from an off-campus phone or 9911 from an on-campus phone.** The dispatcher is able to locate the source of the call and the Campus Security officer on duty will be dispatched. Several agencies from the city, including the fire department/ambulance service, will respond to the campus.

Non-Emergency Reports

Non-emergency calls should be made to 432-0510. The Chadron Police Department is on duty 24 hours a day to respond to calls for assistance. Residence hall directors, and resident advisors are also on call 24 hours a day.

Anonymous Reports

Access to a form is provided on the Security website for anyone to anonymously and electronically report any criminal activity.

Reporting Assistance

Accurate crime reporting is essential to the investigative process and confidentiality is maintained. Students, faculty, and staff are encouraged to make accurate and prompt reporting of crimes to Campus Security or the appropriate law enforcement agency. CSC Campus Security will assist students who choose to ask for help in notifying the proper law enforcement officials of offenses committed.

Sex Offense Reporting

If a sex offense occurs, the victim should contact the Chadron Police Department (432-0510) or the CSC Title IX Coordinator (308-430-0980). If the victim is not comfortable discussing the situation with any of these, he or she may report the incident to any CSC official or call the office of the President (432-6201). **It is vital that evidence of the offense be preserved as it may be necessary to the investigation of the criminal sexual assault.** All allegations of sexual offenses will be immediately and confidentially investigated. If a claim is substantiated, disciplinary action will be taken according to policies developed by the Board of Trustees of the Nebraska State College System. A student found guilty of rape, acquaintance rape, or other sex offenses, forcible or non-forcible, may be subject to probation, suspension or expulsion. Public information concerning registered sex offenders can be obtained at the official Web site of the Nebraska Sex Offender Registry: <https://sor.nebraska.gov/>

Emergency Response Team

Coordinated planning and response is essential for campus safety in emergencies. The CSC Emergency Action Plan (EAP) Team and its members take the campus leadership role in the event of an emergency. The EAP Team reviews emergency response plans and keeps them current as well as works closely with campus, local, state, and federal authorities for emergency planning and coordinated response.

Keep Your Contact Information Current

In order to receive electronic notifications and warnings your cell phone number must be correct. Please check and update all of your contact information in your MyCSC account periodically. For assistance contact start@csc.edu or call (308) 432-6060.

Emergency Notifications

Depending on the extent of the situation, CSC will take into account the safety of the campus community and initiate to the appropriate segments of the campus, without delay, an emergency notification of a confirmed threat to health or safety; unless issuing a notification will, in the professional judgment of responsible authorities, compromise the efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency. The content of the notification and the population to be notified will be determined by the EAP Team.

Timely Warnings

Students, faculty, and staff will be provided timely warning as required by federal law (20 U.S.C. § 1092) as to the occurrence of a serious crime that is thought to be a continuing threat to members of the campus community as soon as pertinent information becomes available. Warnings and notifications will be made through personal notification including text or email messages (if applicable) as well as flyers, the student newspaper, local radio, CSC website, and the employee newsletter. Cell phone numbers that are listed in the CSC student information system will be loaded in the CSC emergency alert system. Questions about adding or updating cell phone numbers should be directed to CSC START Office (308-432-6060)

SAFETY, CRIME, AND SUBSTANCE ABUSE PREVENTION EDUCATION

Students are routinely educated about issues that directly affect their welfare through student programming and contact with faculty and staff. Those issues include health topics, crime, and social and personal concerns. Students are encouraged to seek assistance from an academic advisor, counselor, and/or residence hall advisor in dealing effectively with safety-related needs and concerns.

Crime prevention education, including information addressing rape awareness, acquaintance rape, and other forcible and non-forcible sex offenses, is provided by a variety of sources. These sources include the Chadron radio stations, campus and Chadron newspapers, computer network, and in-service programs sponsored on campus, as well as in fliers distributed throughout the residence halls. Safety and crime experts such as the Chadron Police Department, Dawes County Sheriff's Office and Nebraska State Patrol participate in crime prevention and personal safety programs for residence hall students and other college groups annually. Chadron State College sponsors a variety of drug and alcohol education classes that are required of students who violate the college's drug and alcohol policy.

Prospective students who attend Orientation are acquainted with Campus Security. All students and employees may access the incident statistics and crime information through the Chadron State College website: www.csc.edu/documents/security/SafetySecurity.pdf

Students living in the residence halls receive security information from their residence hall director or resident advisor. Safety is also addressed in the CSC Student Handbook which can be found at www.csc.edu/publications/csc_student_handbook.pdf.

An on-campus safety escort service is available. Contact the Chadron Police Department at 432-0510 or Campus Security at 432-6037 for more information.

GENERAL CAMPUS SAFETY

Campus Community Member Role

To help ensure that the campus emergency and safety plans and procedures work effectively students and staff members have important roles in campus safety and crime prevention. All campus members should take responsibility for understanding and following the regulations and information provided by campus officials and within campus publications. Educational and informational sessions are also provided for the benefit of the campus members and attendance at these sessions provides additional knowledge about health, safety, and crime prevention. Up-to-date contact information is essential for personal and mass notification about safety issues. Students, faculty, and staff members should review and update personal and emergency contact information regularly to ensure accurate listing of contact information within MyCSC, the campus information system.

Access to Facilities

Keys to all buildings, except the residence halls, must be requested through and approved by the building manager. The Director of Housing and Residence Life is responsible for keys to the residence halls. All campus buildings are secured after normal working hours and access to them is controlled by personnel in conjunction with Campus Security. Campus Security officers and student employees patrol the campus at night to deter theft, vandalism and fire. Security deficiencies should be reported to either the building manager or Physical Facilities.

The Physical Facilities staff maintains the college buildings and grounds with a concern for safety and security. These individuals inspect campus facilities and make necessary repairs to ensure that appropriate safety and security standards are met.

Residence Halls

Access to campus residence halls is limited to residents, their guests, authorized employees, and others with a specific need to enter the hall. Each hall posts notification to that effect. In general, responsibility for access to the halls and the security within rests with residence hall directors, resident advisors, and occupants of each hall. The front and side doors of all halls are locked each evening and the front desk of each residence hall is staffed by security personnel from 11 p.m. to 7 a.m.

Campus Security officers patrol the residence hall areas and check the security of the halls during the late night and early morning hours. Security deficiencies are corrected and reported to the office of Housing and Residence Life. The Housing and Residence Life Office notifies Physical Facilities regarding necessary repairs and upkeep.

Students who believe the safety of their living arrangements has been jeopardized may request a room/residence hall change from the Director of Housing and Residence Life. If such changes are reasonably available, they will be made immediately. For further information, please contact the Chadron State College Office of Housing and Residence Life at 432-6355.

Security Staff

Chadron State College has an interlocal agreement with the Chadron Police Department that provides a Campus Resource Officer and the support of the Police Department to the campus. In addition, Chadron State College employs a Security Supervisor (who is a former Nebraska State Trooper) and a Security Officer to hire, train, and supervise a cadre of security workers for campus. The security workers patrol the campus and are responsible for reporting unusual or suspicious activity, building security, and front

desk coverage in the evening hours for the residence halls. To contact Campus Security, please call 432-6037.

The Campus Security Department works closely with city, county, and state law enforcement agencies. They coordinate information and provide assistance to each other as needed. The Chadron Police Department monitors and records criminal activity at off-campus student organizations which are recognized by the college and that are engaged in by students attending the college.

CONTROLLED SUBSTANCES & ALCOHOL

The manufacture, distribution, dispensation, possession, or use of controlled substances on college property is prohibited by the drug use policy adopted by the Board of Trustees of the Nebraska State College System on April 14, 1989. The unauthorized possession or consumption of alcoholic beverages on campus property is in violation of the policies of the Board of Trustees of the Nebraska State College System and Nebraska law. Conviction of a violation of this law is considered a Class IV misdemeanor and could lead to a maximum fine of \$500. Applicable federal and state laws regarding possession, use and sale of illegal drugs will be enforced. Additional information about drug and alcohol law, policy, and education are available in the Residence Life Handbook located at: <http://www.csc.edu/documents/housing/handbook.pdf> (page 17).

This information is confidential but may be released to CSC Campus Security and the Chadron Police Department staff as necessary to carry out the purposes of this policy.
5. If a missing student is under the age of 18 and not emancipated, the Senior Director of Student Affairs is required to notify the custodial parent(s) or guardian(s) of the missing student no later than 24 hours after the determination by the Senior Director of Student Affairs and Campus Security that the student is missing.

7. The Senior Director of Student Affairs, or his designee, will be responsible for filing all related missing person reports with other agencies as may be required and conduct an investigation.
 - a. Senior Director of Student Affairs, or his designee, will organize support personnel when a student is determined missing and make appropriate contacts within the College.

Student Conduct

The CSC Student Handbook Outlines the expectations for students based on Nebraska State College System Policy 3100. Information regarding these expectations is listed below. Complete information is in the complete handbook at the following link:

http://www.csc.edu/documents/publications/csc_student_handbook.pdf

Unreasonably Dangerous or Threatening Conduct Toward Self

Student behaviors and actions that are unreasonably dangerous to self or which threaten the student's own safety or health may constitute misconduct under this Policy and may be addressed by the College administration through the disciplinary process. When practicable and appropriate, efforts will be made to advise students regarding voluntary withdrawal options in lieu of initiating disciplinary due process as set forth in Board Policy #3200.

At the discretion of the Vice President responsible for student affairs/services, a student may be allowed to voluntarily withdraw when continued enrollment no longer appears to be in the best interests of the student and/or College in conjunction with mutually agreed upon conditions that will be required for the student to reapply for admission.

DISCIPLINARY PROCEDURES

The Board of Trustees of the Nebraska State College System grants authority to the President of Chadron State College to designate appropriate officers to render initial decisions relative to conduct and discipline, and to establish representative college committees for the review of these decisions. Acceptance of this policy by the student is implied as a condition of his or her enrollment.

A violation of college regulations or policy (whether the violation occurs on or off campus) may cause the student to be liable to disciplinary action, which may include suspension, following a hearing. Procedures are outlined in the Chadron State College Student Handbook.

On-campus disciplinary action in cases of alleged sexual assault will follow the due process procedure as developed by the Board of Trustees of the Nebraska State College System and as outlined in the CSC Student Handbook. The accuser and accused in these cases will be entitled the same opportunities to have others present during the campus disciplinary hearing. Both the accuser and accused will be informed of the outcome of the campus disciplinary hearing alleging a sexual assault.

Disciplinary Sanctions

Disciplinary sanctions may include warnings, demands for restitution or reimbursement, fines, a period of probation, remedial behavioral requirements, remedial educational requirements, suspension, or expulsion.

In the event that a concurrent civil or criminal action for the same behavior which forms the basis of misconduct allegations under the provisions of this policy is in progress, the accused student may request in writing to the Vice President responsible for Student Affairs, or equivalent administrator, that the College delay the continuance of the due process procedures. By requesting to delay until the external civil or criminal proceeding has concluded, the student agrees that he or she shall not attend any College classes or College-sponsored events or activities or shall not enter or use College property without specific written authorization from the Vice President. See ***Board of Trustees Policy 3100 Student Conduct and Discipline***.

Temporary Suspension

Students may be ordered to leave the College campus under temporary suspension pending disciplinary action due process per Board Policy 3200 in the event the student's continued presence is believed to threaten the safety or health of another person or for other reasons at the discretion of the Senior Director of Student Affairs. Such order shall be given in writing by the Vice President Responsible for Student Affairs.

Right to Due Process (NSCS Board Policy 3200)

It is the policy of the Board to grant procedural due process to students accused of misconduct under the terms of Board Policy 3100. Regarding allegations of academic dishonesty, grade appeals, failure to pay a financial obligation, or academic performance, achievement, probation and suspension each College will devise its own adjudication procedures. However, for allegations of misconduct identified in Policy 3100 that may result in disciplinary sanctions, the due process procedures outlined below shall be followed.

VIII. Student Misconduct Appeal Procedure

1. The student shall be notified in writing by an appropriate College official that he/she is accused of misconduct. The student shall be made aware of grounds which would justify such action by way of the student handbook or other published College regulation.
2. The student shall be notified that he/she may elect one of three courses of action. The student shall be advised of a date (deadline) by which such an election must be communicated to the appropriate College official.
 - a. The student may admit the alleged violation and request in writing that the appropriate College official take whatever action seems appropriate.
 - b. The student may admit the alleged violation in writing and request a hearing before the appropriate hearing panel designated by the College.
 - c. The student may deny the alleged violation, in which case, the appropriate College official shall refer him/her to the appropriate hearing panel designated by the College.

NOTE: If the student fails to respond to the appropriate College official in a timely manner according to the date (deadline) and/or fails to elect one of the three courses of action, the appropriate College official may address the alleged misconduct without providing further due process.

3. Under option 2a noted above, the College may address the alleged misconduct without providing further due process. The student's decision can be binding, if freely and knowingly made even though suspension, expulsion or the imposition of a stigmatizing sanction might result. Students should be advised in writing of all risks associated with any waiver of due process rights and provided a reasonable amount of time to consider their decision and to confer with a family member or advisor.
4. If the student selects either option 2b or 2c as noted above, a hearing shall be conducted in accordance with the following procedure within ten (10) class days, unless the student requests an extension in writing, which shall not be unreasonably denied. Students studying abroad shall be under the direction of the accompanying College official until his/her return to campus at which time, if needed, the due process procedures will commence.
 - a. Prior to the hearing, the student shall be entitled to the following:
 - Written notification of the time and place of the hearing with reasonable time allowed for grievant to prepare a presentation and defense.
 - A written statement of the allegations (incident or behavior) with sufficient particularity so that the student may prepare his/her defense.
 - The grounds which would justify disciplinary action cited in the student handbook or Board Policy and the possible sanctions that may be imposed.
 - Written notification of the names of the witnesses who are directly responsible for having reported the allegations, or, if there are no such witnesses, written notification of how the allegations came to the hearing panel's attention, and
 - A copy of all documentary evidence to go before the hearing panel.
 - b. The student shall be entitled to appear in person before the hearing panel, and may call witnesses in his/her behalf. If the student does not appear before the hearing panel, the hearing shall be held in his/her absence.
 - c. The student shall be entitled to be accompanied by a person of his or her own choosing from the College community to assist in the proceedings or by counsel at the student's expense. An attorney or advisor, if present at the request of the student, may be present

- to counsel the student, but may not directly participate in the hearing by making oral presentations or arguments, examine or cross-examine a witness, or object to testimony of a witness or to introduction of other evidence.
- d. The student shall be entitled to ask questions of the hearing panel or any witnesses.
 - e. The student shall be entitled to an expeditious hearing of the case.
 - f. The student shall be able to request that the hearing be either open or closed to the public. This request shall be made to the chair of the hearing panel.
 - g. A record of the hearing will be kept by the hearing panel.
 - h. The student shall be entitled to an explanation in writing of the reasons for any decisions rendered against him/her and the discipline imposed, and shall be given access to the hearing panel's decision for his/her personal records.
5. The hearing panel designated by the College shall be composed of College administrators, faculty, staff, and/or students. Such selection shall be at the approval of the President or designated Vice President. Individuals serving on this panel need not be disqualified because they have superficial knowledge of the background of the case, or because they may know the participants. The basic test shall be whether or not the panelist can judge the case fairly, without bias or prejudice, and solely on the evidence presented.
6. The hearing panel shall be the decision-making body acting independent of the President.
7. Technical rules of evidence or procedure need not be employed in hearing proceedings. A student's misconduct shall be determined by a preponderance of the evidence (i.e., it is more likely than not that misconduct occurred). Hearing decisions need not be unanimous. A simple majority vote shall be sufficient. Hearsay evidence is not required to be excluded, but a finding of misconduct on hearsay evidence alone is not appropriate in hearings, including a serious disciplinary case such as suspension or expulsion.
8. Members of the hearing panel shall have the opportunity to examine the case file beforehand, and to question the accused and witnesses at the hearing.
9. The student shall be notified of his/her right to appeal the decisions of the hearing panel to the Vice President responsible for student affairs/services. Appeals must be in writing and are due to the Vice President within five (5) class days after the student received the hearing panels' decision. If the Vice President was a member of the hearing panel, this step of the appeal process is not applicable and the student may appeal directly to the President. Appeals to the Vice President must be based on one of the following grounds:
- a. Procedural due process was violated;
 - b. The sanction was excessive;
 - c. The evidence did not support the decision; or,
 - d. Substantive new information is available that was not available at the hearing.
10. The student shall be notified of his/her right to appeal the decisions of the Vice President to the President, who has final authority. Should the student appeal, any action assessed by the hearing panel shall be suspended until acted upon by the President. Appeals to the President are due within five (5) class days after the student receives the Vice President's decision. Appeals to the President must be based on one of the following grounds:
- a. Procedural due process was violated;
 - b. The sanction was excessive;
 - c. The evidence did not support the decision; or,
 - d. Substantive new information is available that was not available at the hearing.
11. Appeals of the President's decision may be submitted to the Chancellor but shall be limited to allegations that fair procedural process has not been provided in accordance with Board Policy 3200. Appeals to the Chancellor must be in writing and are due within five (5) class days after the student receives the President's decision. Should the student appeal, any action assessed by the

hearing panel shall be suspended until acted upon by the Chancellor. See ***Board of Trustees Policy 3200 Due Process --Students.***

SEXUAL ASSAULT, DOMESTIC VIOLENCE, & STALKING

Nebraska State College System Board Policy 3020 (Revised: 3/1/16) outlines the following information regarding Sexual Violence or Sex Harassment Reporting, Policies and Procedures:

The Board of Trustees of the Nebraska State Colleges is committed to providing an environment in which all students who participate in College programs and activities can work together in an atmosphere free from unlawful discrimination, harassment, or violence. Sexual violence and sex harassment are prohibited by law and by Board policy and the Colleges will not tolerate sexual violence or sex harassment in any form, including, but not limited to, sexual assault; stalking; dating violence; domestic violence; acquaintance, date or stranger rape; non-consensual sexual intercourse; sexual cyber harassment or sexual bullying. The Colleges will take appropriate action to prevent, correct, and discipline harassing or violent behavior that is found to violate Board policies and principles of equal opportunity and access.

This policy provides guidance for what students should do if they have been victims of sexual violence or sex harassment, and what the Colleges will do if such violence or harassment occurs. A student alleged to have committed sexual violence or sex harassment can be disciplined under the Code of Student Conduct and/or prosecuted under Nebraska criminal statutes. Additional Board Policies, Employee Handbooks and Collective Bargaining Agreements, also apply to employees alleged to have committed sexual violence or sex harassment.

The Colleges have a responsibility to respond to reports of sexual violence or sex harassment and attend to the needs of the students who are involved. Reports of sexual violence and sex harassment are taken with the utmost seriousness, and the student will be promptly referred to the appropriate persons or resources for assistance. The Colleges are also responsible to ensure that the individual charged with committing such violence or harassment is treated fairly. Individuals are presumed innocent unless proven responsible, and will also be referred to appropriate services for assistance.

Definitions

Dating Violence: Dating violence is violence (*violence includes, but is not limited to sexual or physical abuse or the threat of such abuse*) committed by a person (a) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (b) where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) the length of the relationship, (ii) the type of relationship, (iii) the frequency of interaction between the persons involved in the relationship. Dating violence can occur when one person purposely hurts or scares someone they are dating. Dating violence can be physical, emotional, and/or sexual abuse.

Domestic Violence: Domestic violence shall mean felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws.

Domestic violence includes patterns of abusive behavior in relationships used by one partner to gain or maintain power and control over another intimate partner. Domestic violence can be physical, sexual, emotional, economic, or psychological actions or threats of actions that influence another person. This includes any behavior that intimidates, manipulates, humiliates, isolates, frightens, terrorizes, coerces, threatens, blames, hurts, injures, or wounds someone.

Under Neb. Rev. Stat. §28-323, domestic assault occurs when a person; (a) intentionally and knowingly causes bodily injury to his or her intimate partner; (b) threatens an intimate partner with imminent bodily injury; or, (c) threatens an intimate partner in a menacing manner. Intimate partner means a spouse; a former spouse; persons who have a child in common whether or not they have been married or lived together at any time; and persons who are or were involved in a dating relationship.

Sexual Assault: Sexual assault shall mean an offense classified as a forcible or non-forcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation. Sexual assault is contact or sexual penetration that occurs without the consent of the recipient.

Sexual contact means the intentional touching of a person's intimate parts or the intentional touching of a person's clothing covering the immediate area of the person's intimate parts. Sexual contact also includes when a person is forced to touch another person's intimate parts or the clothing covering the immediate area of the person's intimate parts. Sexual contact shall include only such contact which can be reasonably construed as being for the purpose of sexual arousal or gratification of either party. Sexual penetration means sexual intercourse in its ordinary meaning, cunnilingus, fellatio, anal intercourse or any intrusion of any part of the person's body or of a manipulated object into the genital or anal openings of another person.

Sex Harassment: Sex harassment is unwelcome conduct of a sexual nature. Sex harassment can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal or physical conduct of a sexual nature. Federal law (specifically, Title IX) prohibits student-on-student discrimination, including hostile environment sex harassment and hostile environment gender harassment. (Gender harassment may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex-stereotyping, even if those acts do not involve conduct of a sexual nature.) Harassment does not have to include intent to harm, be directed at a specific target, or involve repeated incidents. (For instance, as detailed below, a single instance of unwelcome physical contact of a sexual nature could constitute unlawful sex or gender harassment.) Sex and/or gender harassment creates a hostile environment for the student-victim when it is so severe, pervasive, or persistent that it interferes with or limits the victim-student's ability to participate in or benefit from the Colleges' services, activities, or opportunities because of his or her sex or gender. Sex Harassment includes Dating Violence, Domestic Violence, and Stalking as defined in this policy.

Sexual Violence: Any intentional act of sexual contact (touching or penetration) that is accomplished toward another without his/her consent. Such acts may include, but are not limited to, forced oral sex, forced anal penetration, insertion of foreign objects into the body, and any act of sexual intercourse "against someone's will." This includes, but is not limited to, the use of a weapon, physical violence or restraint, verbal threats, intimidation, and threats of retaliation or harm. Sexual Violence includes Sexual Assault as defined in this policy.

Consent: Positive cooperation in the act or expressing intent to engage in the act. The person must act freely and voluntarily and have knowledge of the nature of the act or transaction involved. A person who is giving consent cannot be incapacitated by drugs or alcohol, unconscious, passed out, coming in and out of consciousness, under the threat of violence, injury or other forms of

coercion, and cannot have a disorder, illness, or disability that would impair his/her understanding of the act or his/her ability to make decisions. A person who is giving consent cannot be forced, coerced or deceived into providing consent.

A person may express a lack of consent through words or conduct. A person need only resist, either verbally or physically, so as to make the person's refusal to consent genuine and real and so as to reasonably make known to the actor the person's refusal to consent. A person need not resist verbally or physically where it would be useless or futile to do so.

The presence or absence of consent is based on the totality of circumstances, including the context in which an alleged incident occurred. The fact that a student was under the influence of drugs/alcohol may be considered in determining whether that person had consented to the act in question. Consent may not be inferred from silence or passivity alone.

Stalking: Stalking shall mean engaging in a course of conduct directed at a specific person that would cause a reasonable person to; (a) fear for his or her safety or the safety of others; or, (b) suffer substantial emotional distress.

Stalking includes a pattern of repeated and unwanted attention, harassment, contact or any other course of conduct directed at a specific person that would cause a reasonable person to feel fear. Stalking may include: repeatedly communicating with, following, threatening, or spreading rumors about a person who does not want the attention.

Student: An individual for whom the College maintains records and who is currently enrolled or registered in an academic program or who has completed the immediately preceding term and is eligible for re-enrollment.

Reporting

Reports can be filed by the alleged victim or a third party who is aware of allegations of sexual violence or sex harassment, including other students or College employees. Reports should be filed with one of the designated College administrators and/or employees responsible for student services, as follows:

- President
- Vice Presidents
- Deans
- College Title IX Coordinator (*contact information is listed below*)
- Dean of Students
- Housing/Residence Life Staff to include:
 - Directors
 - Associate Directors
 - Assistant Directors
 - Senior Residence Hall Advisors
 - Residence Hall Advisors
- Coaches and Assistant Coaches
- Campus Security Officers

Reports to the above designated administrators or employees will constitute "notice" to the College for the purposes of considering an investigation and institutional response in conjunction with the Title IX Coordinator.

College employees (even medical or mental health professionals identified below) are required by law to report any allegations of sexual abuse or assault of a minor to either law enforcement or the Department of Health and Human Services.

Exception Regarding Employee Reporting: The law recognizes and protects the confidentiality of communications between a person seeking care and a medical or mental health professional. Medical or mental health professionals employed by the Colleges (Licensed Student Counselors and Nurses) respect and protect confidential communications from students, faculty, and staff to the extent they are legally able to do so. Employees may have to breach a confidence, however, when they perceive an immediate and serious threat to any person or property.

Confidentiality

The College appreciates the privacy concerns inherent in allegations of sexual violence or sex harassment. To protect students' privacy rights, the names of students or other identifying information, especially that which is contained in written documents and notes, will only be disclosed to third parties if; (a) prior written permission is given by the student concerned; (b) the disclosure is necessary to conduct an investigation; (c) the disclosure is necessary to pursue disciplinary action; or, (d) the disclosure is otherwise required by law.

Victims will be informed that the College has a legal duty to include information about reports of criminal sexual misconduct in annual security report statistics which do not identify either the person claiming to have been subject to criminal sexual misconduct or the alleged perpetrator.

If an alleged victim is under the age of eighteen (18) years, the College will obtain consent from the parents or guardians prior to beginning an investigation or disclosing information, unless otherwise required by law.

If the alleged victim requests confidentiality, asks that the report not be pursued, or declines to participate in an investigation or disciplinary proceeding, the College will document the request. The College will take reasonable steps to investigate and respond to reports consistent with such a request, if possible. Requests will be evaluated and weighed against the College's responsibility to provide a safe and nondiscriminatory environment.

Disciplinary Processes and Consequences

Processes and procedures described in Board Policies 3100 and 3200 may be used subsequent to a sexual violence or sexual harassment investigation to address cases of student misconduct, due process and discipline. If the alleged perpetrator is an employee, other Board Policies or Collective Bargaining Agreements will determine the due process steps and disciplinary consequences.

Disciplinary consequences may include, but are not limited to: warnings, disciplinary probation, loss of privileges, restitution, remedial educational requirements, service requirements, remedial behavioral requirements, College housing relocation, College housing suspension, removal from College housing, suspension, and expulsion.

Law Enforcement

Alleged victims should be advised that physical evidence can be collected at the same time as medical care is provided, but that medical evidence for a criminal prosecution cannot be collected without a report being made to local law enforcement. It is important that students make an informed decision regarding important physical evidence that can be preserved.

While students are not *required* to notify law enforcement authorities regarding a report of sexual violence or sex harassment, reports still need to be filed with Campus Security to inform them that an act of violence may have occurred. Campus Security shall notify the Title IX Coordinator, who is responsible for coordinating the College response to the reports of sexual violence and sex harassment. Pursuant to federal law, the College has a legal responsibility for documenting and reporting an incidence of sexual violence and sex harassment.

Regardless of whether or not the law enforcement authorities choose to prosecute a reported offense, the College can pursue formal disciplinary action against a student or employee alleged to have committed sexual violence or sex harassment.

Investigation Procedures

Note: While this policy and procedures are written primarily for the benefit of students, the same procedures shall also apply in the event either the individual reporting the sexual violence or sex harassment, or the alleged perpetrator, is not a student. Similarly, while the procedures assume that the incident occurred on or near College property or at an official College function or activity, some of these procedures may also apply if an alleged incident occurs off-campus or in a setting unrelated to College functions/activities.

- 1) An initial report may occur by telephone, email, in writing, or in person. When an initial report of sexual violence or sex harassment is received by any designated administrator or employee (listed in this Policy under "Reporting"), the initial report shall be shared with the Title IX Coordinator as quickly as possible.
- 2) The Title IX Coordinator or designee will contact the alleged victim for the following purposes:
 - To ask questions in order to gain a better understanding regarding the nature of the incident;
 - To explain confidentiality and reporting requirements;
 - To explain the investigatory process, law enforcement options, and possible consequences;
 - To provide information about resources that are available to the individual; and,
 - To ask if the alleged victim wishes for the report to be pursued through an investigation or not. (If the alleged victim requests confidentiality, or asks that the report not be pursued, the College will take all reasonable steps to investigate and respond to the report consistent with the request for confidentiality or request not to pursue an investigation, if possible. The request will be evaluated and weighed against the College's responsibility to provide a safe and nondiscriminatory environment.)
- 3) The Title IX Coordinator or designee, after consultation with the NSCS General Counsel, will determine if an investigation will be conducted.
- 4) If an investigation will be conducted, the Title IX Coordinator or designee will immediately begin an investigation and will take steps to complete the investigation within sixty (60) calendar days after receipt of the report, if possible. The College is committed to a complete and impartial investigation of reports of sexual violence or sex harassment, including the opportunity for both parties to present witnesses and other evidence. Investigations will occur as quickly as possible, but the complexity of the

investigation, the severity and the extent of the harassment, or number of involved parties can impact the duration.

The investigation shall consist of:

- Reviewing all related written statements or reports;
- Interviewing the alleged victim, alleged perpetrator and other witnesses;
- Reviewing applicable College records; and,
- Reviewing other relevant material and evidence.

5) The Title IX Coordinator or designee will provide parties involved in the investigation with periodic updates while an investigation is pending, consistent with Family Educational Rights and Privacy Act (FERPA) restrictions.

6) At the conclusion of the investigation, the Title IX Coordinator or designee will make a determination regarding the report using a “preponderance of the evidence” standard (more likely than not that sexual violence or harassment occurred) and will provide the recommendation to the Vice President responsible for Student Affairs and the President.

7) Within ten (10) working days from receipt of the Title IX Coordinator’s or designee’s recommendation, the Vice President or President will issue a written statement to the alleged victim, the alleged perpetrator and the Title IX Coordinator regarding the outcome of the investigation and if disciplinary proceedings will commence. In the event that disciplinary proceedings commence at the conclusion of the investigation, the College has an obligation to disclose the outcome of the disciplinary proceedings to the student who reports being the victim of sexual violence.

8) If the alleged victim and alleged perpetrator agree with the decision of the Vice President, the matter is considered resolved without any further rights of appeal by either party. If either the alleged victim or the alleged perpetrator object to the decision of the Vice President, either individual may appeal the decision in writing to the President within seven (7) calendar days. The President will review the matter and then issue his/her decision to; (a) affirm the Vice President’s decision; (b) refer the matter for further investigation; or, (c) refer the matter for disciplinary proceedings. The President’s decision will be final.

Note: Title IX prohibits retaliation for reporting parties and any individuals participating in an investigation. The College will not only take steps to prevent retaliation but will also take strong responsive action if it occurs.

Resources and Assistance

The Title IX Coordinator or Designee will have available contact and referral information for counseling/mental health services, medical services, law enforcement, judicial remedies/restraining orders, and educational resources, and will share resource information with victims and alleged perpetrators. Assistance options including, College no contact orders, changes in academic, living, transportation and working situations may be made available as remedies to protect victims or witnesses.

COUNSELING

Students who have experienced any crime or assault are encouraged to contact college counseling services at 432-6268 or 432-6232. The Panhandle Mental Health Center (877-492-7001) is a counseling service provider. A student’s privacy will be protected. Professional mental health and pastoral

counselors are encouraged; if and when they deem it appropriate, to inform persons they are counseling of any procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics. Students may request a change in an academic schedule or living accommodations, if available and reasonable, and can submit a request to the Senior Director of Student Affairs for short-term escort service to and from class.

FIRE SAFETY SYSTEMS

Fire safety and education is a cooperative effort between CSC and the Chadron Community. Communication and planning regarding fire safety is coordinated through administrative and residence hall staff and includes emergency evacuation procedures, alarm and extinguisher inspections, as well as fire education programs offered through local and state agencies. Fire Alarm Systems installed in the campus buildings are equipped with horns and strobes for occupant notification. The panel monitors smoke detectors, heat detectors and/or pull stations in order to detect fire. This fire alarm system is inspected every six months for proper operation by licensed personnel.

SELECTED FIRE POLICIES

The following actions are a violation of student conduct:

- **Setting or attempting to set any fire** on the campus or on the premises of any student housing unit, except in fireplaces or other facilities designated for fires;
- **Failing to report a fire** or any other extremely dangerous condition when known or recognized on the campus or on the premises of any student housing unit;
- **Possessing or selling firearms**, ammunition, weapons, explosives, or dangerous chemicals on College campus or on the premises of any student housing unit;

2. Campus buildings are posted with “No Smoking” signs notifying all visitors of the smoke-free environment. Appropriate receptacles will be available for proper disposal of smoking waste.
3. Noncompliance with these provisions will be managed in accordance with existing faculty, staff, and student guidelines.

Electronic cigarettes and hookahs are banned from the residence halls. Students who smoke outside a residence hall/apartment must do so in designated areas and far enough from the building to avoid having smoke drift into the hall or neighboring apartments.
