   C. Officers:
      i. President:
         a. Marty Lastovica presented his request for $1000 for Release. This will be Release’s 5th year. Release has typically brought in crowds of 600+ to Memorial Hall. Approximately 25 artists are expected to display their talents on April 30 at 7:30 p.m. in Memorial Hall. Lastovica said that $500 is still needed to meet the budget, but asked if it was possible to receive $1000 to give a bit of cushion room. Housh moved to allocate no more than $1000 from the Student Activity Fee Reserve Account. Roy seconded. Motion carried.
         b. After taking last week’s discussion into consideration, Karmazin wrote and presented a new amendment. Housh moved to amend the by-law under Election Procedures to read as follows: A.2. Effective April 1, 2011: The Fall election proceeding shall begin the 3rd Wednesday of September and the Spring election proceedings should begin the 3rd Wednesday of February. Four weeks prior to the Fall and Spring election proceedings, student petitions for any non-executive Senatorial position (Senator of E.H.P.C.P.S.W., Senator of B.E.A.M.S.S., Senator of Liberal Arts, Senator At-Large, or Constitutional Court member) will temporarily be held from consideration by the Senate until after elections have occurred. If Senatorial positions are still available after Student Senate Elections, the previously acquired petitions will then be eligible for consideration by the Student Senate. Newman seconded. Doht asked if a student petitioned to be on Senate during the four week ‘freeze’ period, if they would automatically be placed on the ballot. It was decided that the student shall be made aware of their options when picking up/turning in their petition. Motion carried.
