   ii. Sponsors: Dr. Schaffer will be getting her hair cut at 1:00 p.m. on Wednesday for Locks of Love at the cancer awareness event. A lot of freshmen have not yet registered for spring classes. Spread the word so they do and remind them to talk to their advisor if they haven’t already.
iii. Vice President E.M. and S.S.: Wireless is working in all the residence halls! Doht asked if it would be possible to connect the CSC network printers to our own personal computers because a lot of the time the computer labs are full and it’s nearly impossible to print out an assignment. Rhine replied that is a reasonable request and that is something the technology and technology fee committees should look into. Paper and toner costs would be something to consider or possibly look at having all assignments turned in electronically. Dr. Rhine will work on trying to see if a reasonable way could be made.

iv. Coordinator of Student Activities: At the cancer awareness event on Wednesday, you can get your hair cut for free, but they would like a donation. Late Night on Thursday will be Salsa dancing.
