Chadron State College Student Senate Minutes
October 4th, 2010

I. The meeting was called to order by Vice President Weiss at 5:01 p.m. on October 4th, 2010.

II. Roll call was taken by Chief Justice Nelsen.

III. Housh moved to approve the minutes. Brening seconded. Motion carried. VanSkiver moved to approve the agenda. Brening seconded. Motion carried.

IV. Reports

A. Student Trustee: Dietrich said he has been getting a lot of questions about his exact role as Student Trustee. The Student Trustee is a representative and liaison between CSC and the State College System. If you have any thoughts or feelings about CSC or need to express something to the administration, Dietrich is a good contact. He will be attending a conference in Arizona for Student Trustees, if you have ideas to share or want to know what other colleges are doing, talk to him and he will work on it while he is there.

B. CAB Report: Last week at CAB Shellie Johns talked about homecoming. Tickets must be order for the Chris Cagle concert, so call the box office today as tickets are going fast. Homecoming packets will be ready Friday. The free walls in the Student Center by the Dining Hall are open and clubs can use them for advertisements. The Pit is continuing to improve, if there are other changes we would like to see let Shellie know. Tomorrow night CAB will vote on the alternative to free movie night.

C. Officers:

i. President:
   a. Zitterkopf had a brief meeting with Grant to inform him that Senate would like to adjust the current parking situation. Currently tickets are only written from 7:30 a.m. to 4:30 p.m., Monday through Friday; however, housing and security can write tickets at any time. Zitterkopf is still developing a plan on what changes he, and the consensus of students, would like to see made to accommodate everyone equally. Dietrich mentioned that over 40 tickets have been written for having expired parking permits. Many students understood the permit to be good until the end of 2010, instead of the following the academic school year schedule. Those tickets may be appealed; however, you must get a new permit.
   b. Housh moved to open the floor for homecoming king and queen nominations. Brening seconded. Motion carried. Dietrich, Newman, and Zitterkopf were nominated for king candidates; Mahr, Maxon, and Yeutter were for nominated for queen. Housh moved to close the floor. Brening seconded. Motion carried. Housh moved to vote by secret ballot for homecoming king and queen and to destroy the ballots after votes have been tallied. Brening seconded. Motion carried. Zitterkopf was voted the Senate king candidate and Mahr as the Senate queen candidate.
   c. For the homecoming parade, Senate will get a classic car and decorate it for our ‘float’ entry. A committee will be formed to design the bedsheet. Furthermore, anyone can help work on it
during their desk hour as well. The design can be from any
decade. Sinn asked if anyone would be interested in helping
announce the homecoming parade. Waugh volunteered.

ii. Vice President:
   a. A flier about a leadership conference was passed around. If
      interested let one of the executive board members know.

iii. Secretary: No report.

iv. Treasurer:
   a. Housh moved to approve the treasurer’s report. Brening
      seconded. Motion carried.
   b. Housh moved to allocated $1500 for homecoming activities from
      the Student Activity Fee Account. Burrows seconded. Motion
      carried. The White Buffalo club asked for an allocation of
      $2000 to help fund the traditional powwow they sponsor every
      year, but any amount would be appreciated. They haven’t had
      the fundraisers like they have in the past, so they have been
      seeking financial support from local businesses and
      organizations. Currently, Senate only has $1300 in the Student
      Activity Fee Account, so we cannot grant them the $2000, and it
      would be advisable to keep some money in that account in case
      other events come up. Burrows moved to allocate no more than
      $500 for the White Buffalo powwow from the Student Activity
      Fee Account. Brening seconded. Motion carried.

v. Chief Justice:
   a. Chrissy Black petitioned on as a full Senator of B.E.A.M.S.S..
      She introduced herself and started why she felt she would benefit
      the Student Senate. Black was asked to step out. O’Brien
      moved to approve Chrissy Black as a full Senator of
      Black in as a Senator of B.E.A.M.S.S..

vi. Parliamentarian: Walk-through results have been recorded and
    distributed. If your committee has a project/s that are currently in
    progress, please still look into the matter and get an update so we can
    keep people informed on what is happening.

vii. Corresponding Secretary: No report.

D. Schools:
   i. School of B.E.A.M.S.S: Health Professions Day is
      Wednesday. SMC is currently selling t-shirts for the
      Chadron/Kearney game. There is a HPC meeting followed by
      a SMC meeting on Thursday. Dr. Hardy will be lecturing
      about Malta on Thursday at 5:00 p.m.

   ii. School of E.H.P.C.P.S.W.: Portfolios for Spring Block are due
       November 14th.

   iii. School of Liberal Arts: Not present.

E. Other:
   i. Senators at Large: Volleyball is on the road against the
      University of Kearney on Tuesday. Wednesday is Health
      Professions Day. The production, The Last Night of Ballyhoo,
      will be performed by the CSC Theatre Department. Show
      times are Thursday through Saturday at 7:30 p.m. and a
      Sunday matinee at 2 p.m.. Football will be playing against
University of Kearney at home on Saturday. Also at home on Saturday is Volleyball against Colorado Christian. FCS has put together a quilt of old CSC shirts that they will be raffling off at a November home game. Tickets are going on sale this week, 1 ticket for $1 or 6 tickets for $5.

ii. Sponsors: No Report.

iii. Vice President E.M. and S.S.: All wireless equipment has been installed but programming has to be finished before startup, which will hopefully occur at the end of this month.

iv. Coordinator of Student Activities: Fort Robinson has donated pre-owned bedsheets for clubs to use for the bedsheet competition. They are clean and sanitized. Go green! The Rosetta Stone program is being demonstrated on the computers in the Student Center. Please check it out and support it.

Rosetta Stone is one of the best programs out there, this could be a great opportunity for CSC. Vehicles and horses have been added as categories for float entries categories in the homecoming parade. Currently yard art is being promoted so that the entire parade route will be decorated.

F. Committees:
   i. College Affairs: Meet with VanSkiver after meeting.
   ii. Student Affairs: Results of the safe ride program survey are in. A vast majority of students thought Thursdays, Fridays, and Saturdays would be the best days to offer the service. Many students are afraid of repercussions, but still see this as a beneficial program. Other thoughts from students include who would drive, could this be work study, and safety.
   iii. Internal Affairs: Be expecting an email from Zitterkopf later on in the week. Number 9 on their list can be crossed off as this was an issue addressed last year. The new doors in Andrews and Edna are fire rated doors, and installing peepholes would make them less effective.

V. Unfinished Business: No report.

VI. New Business: No report.

VII. Announcements: No report.

VIII. Adjourn

I believe these minutes to be true and accurate.
