IV. Reports
   A. Student Trustee: Not present.
   B. CAB Report: At the last CAB meeting they talked about alternatives to free movie night. On September 16, at 7 p.m., the Chadron Chamber of Commerce is sponsoring the Harlem Ambassadors at the Chadron Middle School. It was decided to let the first 200 students with their student ID in free for this event rather than free movie night this month. Regular admission to the event is $6, but CAB got a deal as it will only be $4 per person. There will be a possible competition for alternative ideas to free movie night, which would include a $100 prize to the winning club or group of clubs. Hulquist talked about the orientation of prospective students on October 11th, and the idea of doing another club fair was suggested, however club attendance would not be mandatory.
   C. Officers:
      i. President:
         a. The foreign language class has so far been successful as there are 17 students registered. Currently a graduate student is teaching conversational Spanish.          b. Student Center improvements was one of the topics of discussion at the Board of Trustees dinner. If you have any ideas, we will be making a list next week, or you can take your ideas directly to Shellie Johns. Sinn highlighted some of the changes that have already been made such as the removal of the air hockey, the addition of two ping pong tables, moving the big screen to the Pit, and the touch screen computer at the Senate desk. This is our Student Center and there are many ways of improving it, so please think of ideas. President Karmazin asked that the Eagle newspaper publish it so that all students can submit ideas.
c. Chris Cagle is officially coming for homecoming. The announcement was made that five members from each of the Senate and CAB executive boards, along with three members of each body will get to meet Cagle and have dinner with him.

d. President Karmazin asked for two volunteers to serve on the parking appeals committee. It is a subcommittee that meets every Wednesday at 3 p.m. If a student gets a ticket, they have the opportunity to turn it in and try to appeal it. The committee decides the final verdict. Machal and Swiftbird volunteered and Housh volunteered as an alternate. Zitterkopf asked what the policy is on the time that tickets may be written. Sinn said that tickets can be written at any time, so you must park correctly all the time. Resident Directors have the authority to write tickets as well.
