I. The meeting was called to order by Vice President Weiss at 5:05 p.m. on September 20th, 2010.

II. Roll call was taken by Chief Justice Nelsen.

III. Mundt moved to approve the minutes. O’Brien seconded. Motion carried. VanSkiver moved to approve the agenda with submitted changes. Burrows seconded. Motion carried.

IV. Reports
   A. Student Trustee: No report.
   B. CAB Report: At last week’s meeting, homecoming was discussed. The theme for homecoming is “Building Futures through the Decades, History in the Making.” Each club’s representative received a year that their club is supposed to base their bed sheet on so that every year is represented.
   C. Officers:
      i. President:
         a. At the Homecoming Committee meeting it was decided that since the homecoming theme will be going on many items, and since it is rather long, it would be a benefit to modify it and make it more marketable. The official theme will remain the same as it is now, “Building Futures through the Decades, History in the Making.” Besides the length, many people are confused on the actual theme and how to decorate a bed sheet and float to go along with it. Ideas for renditions to the prior theme included: Eagles through the Decades and Soaring through the Centuries. Zitterkopf move to approve Soaring through the Centuries as the modified 2010 homecoming theme. Hansen seconded. Motion carried.
         b. Last week Zitterkopf brought up the issue of parking and the times of writing tickets. This week he asked the Senate for their thoughts on this issue, particularly the hours that tickets may be written. The next step then will be to talk to Dale Grant. Sinn brought up that some parking tickets are written for violations such as parking in a reserved parking space or the red zone, which extends all 24 hours, so that may be an issue. An idea was given to limit the ticket hours to only the commuter and resident parking areas so those spaces can be open to all after hours. Burrows asked if some of the resident parking could be changed to commuter. Vice President Weiss suggested that a committee be formed to determine what exactly should be changed, and then purpose it to Grant. This could also be brought up with the Campus Facilities, Safety, and ADA Compliance Committee, as parking is one of their concerns. Another idea was to open up all parking on weekends, unless otherwise restricted. Sinn said that parking is open on weekends during game hours and tickets are not written during that time. Doht believes that resident parking
should be for just residents as it is their ‘home’ and it is frustrating to when you see other people parking in your spot. Zitterkopf volunteered to serve on the Campus Facilities, Safety, and ADA Compliance Committee alongside Machal. O’Brien and Sinn also volunteered to work on this and to meet with Grant.

ii. Vice President:
   a. The executive board thought that it would be fun to do something different with the Senate t-shirts this year. The idea was to have the front say Student Senate, and then have a logo/design on the back along with your position and name. A sheet with some ideas for the design was passed around. Mundt brought up that OAC used “Don’t pretend you’re not impressed” on their shirts last year. Brening particularly liked the “Think outside the box.” Weiss asked if the Senate was okay with the shirts being charcoal grey with maroon lettering. There were no objections. Once a price quote is obtained for the t-shirts there will vote on the final design.

iii. Secretary: No report.

iv. Treasurer:
   a. Mundt moved to approve the treasurer’s report. O’Brien seconded. Motion carried.
   b. The poster sell was today. Sinn reported that proceeds go to the Student Senate as this is our one fundraiser of the year. Last year we received $400 from sales. However, this may be the last year as the Eagle Pride Bookstore wants to challenge this, as they want the profits. At most other colleges that use this fundraiser, the college bookstore receives the profit, and the Eagle Pride Bookstore feels that this is how it should be done here too.

v. Chief Justice:
   a. Walkthroughs are this week. Instead of going door to door, we will once again set up a booth in the Student Center and ask students as they walk by. Be proactive! You have to ask them if they have any questions, comments, concerns, etc.. Next week we will have a list of things to do, so if you feel like you are not doing much right now, wait a week and you will have plenty of things to work on. Walkthrough will be Wednesday through Friday from 11 a.m. to 1 p.m. each day. If you sign up to work you do not have to work your desk hour this week. We will also be doing the safe ride survey at the same time. We will pursue safe ride further once Dr. Rhine returns.
