Financial Declaration and Certification Statement
FOR INTERNATIONAL STUDENTS REQUESTING F-1 VISA STATUS

To obtain a Certificate of Eligibility (I-20) from Chadron State College (CSC) and an F-1 visa from the United States, non-U.S. citizens and non-permanent residents are required by law to certify that they have sufficient financial resources to pay for their education and related expenses. Specifically, students must show that they have sufficient liquid funds for their first year of study and living expenses at CSC and that adequate funding will be available for all subsequent years through completion of their program.

**PART 1: Instructions**

Please note that your Certificate of Eligibility (I-20) cannot be issued unless complete information and certification of financial resources is submitted. This form must be completed in English, typed or clearly printed. All signatures must be original.

**Step 1:** Read all of these instructions carefully.

**Step 2:** Read Part 2—CSC Estimated Cost of Attendance

- If you attend summer sessions and/or plan to bring your spouse and/or other dependents with you to the U.S., you must also demonstrate that you have the funds necessary to cover those costs. If your spouse or children will accompany you, add a minimum of $3,500 for spouse and $2,000 per child for living expenses.

**Step 3:** Complete Part 3—Personal Information

**Step 4:** Complete and sign Part 4—Certification of Sources of Financial Support

- Please note that Chadron State College does not provide loans or offer extended payment plans to international students. Federal regulation strictly limits the type and amount of employment available to international students and employment opportunities at CSC are limited. CSC is not obligated to provide employment. Students are advised not to depend on employment as a major source of financial support.
- Students who will not be able to pay their cost of attendance and expenses are advised not to apply for admission.
- When completing the Certification of Financial Support and Responsibility, you MUST show immediately available liquid funds for the first year only. Liquid funds are defined as money that is immediately accessible without restrictions or penalties. This includes cash in an individual checking or savings bank account; Certificates of Deposit with a stated maturity date within 30 days of the date funds may be required; or a U.S.-based Money Market account that can be withdrawn immediately as cash in U.S. dollars. The following are NOT acceptable as liquid funds for the purpose of the Certification of Financial Support and Responsibility. Real estate, investment accounts and portfolios, stocks and bonds, mutual funds and money market accounts outside of the U.S., property and tax records, retirement funds, 401K or similar accounts, salary or employer letters, accountants' letters, bank accounts listed in a company or business name, automobiles, jewelry or other personal property.
- CSC does not require direct evidence of ability to pay the cost of attendance after the first year; however, acceptance to Chadron State College is partially based on the applicant’s ability to pay for all years of attendance. Therefore, the applicant must indicate the amount of assets the applicant has available to cover those costs in the appropriate columns in the “Source of Funds” section of Part 4 of the Financial Declaration Certification Statement. Applicants should be aware that providing incomplete, false, or inaccurate information may have negative consequences as explained in Part 4 of the Statement.

**Step 5:** Supply an ORIGINAL bank letter(s) as described in Part 5—Required Bank Letter

- Be sure to keep an extra ORIGINAL set of all financial documents as you will need to present them at the U.S. Consulate when applying for a visa and to U.S. Immigration Officers at the Port of Entry.

**Step 6:** If you are being sponsored by your government or an agency:

- Complete Parts 3 and 4.
- Include original or certified copy in English of your award letter detailing which expenses will be provided by your government or agency sponsor.

**Note:** Mail all documents and supporting materials to:

Chadron State College Office, Office of International Education, 1000 Main Street, Chadron, NE, USA 69337
